

RUBBER DUCTS

Rubber Ducts are the affordable answer for quick, light duty protection for electrical wires and cords in offices, hotels, meeting facilities or warehouses. Made from high quality rubber, these products will provide years of protection for cords and cables in light duty use.

**Light duty
protection
for wires
and cables**

Quick Installation

- Drop in place – no electrician needed
- Easy to remove and replace when cleaning floors

Choice of Sizes and Number of Channels

- 1-4 channel models
- 9 channel sizes

Made from Heavy Duty Rubber

Rubber Ducts are manufactured from a superior rubber compound which is made using an advanced vulcanizing process. Because of their rubber compound, Rubber Ducts have greater resistance to tearing, curling and abrasion than plastic cable protectors.

Easy Access, Stays in Place

- Low profile provides easy access for foot traffic
- Ribbed underside hugs the floor, keeping them in place

Rubber Ducts are available in the following configurations:

D-1 Series

Designed for applications with only one small gauge wire. Typical runs would be a phone line or high gauge wire (14, 18, 20 or 22). Available unslit only, suitable for wires without connectors.

MODEL #	Length	Width	Height	Weight (lbs.)	Channel		COLOR
					Width	Height	
D-1-10	10'	2.75"	.4375"	4	.5"	.25"	Black
D-1-12	12'	2.75"	.4375"	5	.5"	.25"	Black

D-2 Series

This is the next larger size with a single center channel of .5" x .75". Typically it can handle a standard computer station set-up of power cord(s) and CAT5 cable. Available slit or unslit.

MODEL #	Length	Width	Height	Weight (lbs.)	Center Channel		COLOR
					Width	Height	
D-2-5	5'	3.25"	.75"	3	.75"	.5"	Black or Brown
D-2-10	10'	3.25"	.75"	6	.75"	.5"	Black

D-3-12

This cable protector is specifically made for applications that call for "2 channels of protection" for small gauge wire. Available unslit only (not recommended for cords or wires with connectors).

MODEL #	Length	Width	Height	Weight (lbs.)	Each Channel		COLOR
					Width	Height	
D-3-12	12'	2.75"	.4375"	5	.375"	.25"	Black

D-22 Series

The D-22's are medium size Rubber Ducts, allowing for more or larger cables to pass through its .75" x 1" center channel. Available slit or unslit.

MODEL #	Length	Width	Height	Weight (lbs.)	Center Channel		COLOR
					Width	Height	
D-22-5	5'	3"	1"	3.5	1"	.75"	Black
D-22-10	10'	3"	1"	7	1"	.75"	Black

D-100 Series

3-channel cable protectors with a slit center channel to accommodate cords or cables with connectors. Unslit side channels are suitable for wires or cords without connectors.

MODEL #	Length	Width	Height	Weight (lbs.)	Center Channel		COLOR
					Width	Height	
D-100-5	5'	4.25"	1"	4.5	.75"	.75"	Black
D-100-10	10'	4.25"	1"	9	.75"	.75"	Black

D-200 Series

4-channel cable protectors with two slit center channels to accommodate cords or cables with connectors. Two unslit side channels are suitable for wires or cables without connectors.

MODEL #	Length	Width	Height	Weight (lbs.)	Center Channels		COLOR
					Width	Height	
D-200-5	5'	5.5"	1.125"	10	.875"	.75"	Black or Brown
D-200-10	10'	5.5"	1.125"	20	.875"	.75"	Black

D-300 Series

Slit, single channel cable protectors designed to cover hoses, lines and cables. Its flexible design allows for easy insertion of cables, wires or hoses.

MODEL #	Length	Width	Height	Weight (lbs.)	Channel Diameter	COLOR
D-300-1.25	5'	5.5"	1.625"	14	1.25"	Black
D-300-1.5	5'	6.0"	1.875"	17.5	1.50"	Black

All measurements and weights are nominal.
